WHY TRIPLE CROWN STUDIOZ ?

In physical production, time is currency and logistical friction is the enemy.

Triple Crown Studioz offers an unprecedented advantage: an all-in-one ecosystem where your shooting sets, talent holding areas, production offices, catering, and crew accommodations exist on a single footprint.

Located with easy logistical access for heavy transport, our facility removes the need for costly split-locations, reduces company moves, and maximizes your daily camera runtime.

VERSATILE SPACES & PRODUCTION LAYOUT

Our facility features thousands of square feet of highly adaptable clear-span space. Whether you are building complex episodic television sets or shooting a high-concept commercial, our footprint scales to your needs.

A. The Shooting Floors (Main Pavilion Spaces)

Clear-Span Freedom: Expansive footprints with high clearance, ideal for large set builds, green screen backdrops, and multi-camera configurations.

Acoustic & Power Profiles: Designed to handle heavy commercial power drops with accessible distribution panels to keep your electrical and grip departments running smoothly.

Load-In Access: Oversized load-in doors allowing direct drive-in access for grip trucks, camera vans, and heavy scenic elements.

B. Talent & Crew Support Suites

Say goodbye to cramped makeup trailers and temporary pop-up tents. Our versatile auxiliary rooms convert instantly into dedicated spaces:

Green Rooms & Talent Holding: Comfortable, climate-controlled, secure environments for principal cast and background talent.

Makeup & Hair Stations: Bright, well-lit spaces equipped with appropriate power distribution for styling tools and mirrors.

Wardrobe & Costume Departments: Spacious auxiliary areas perfect for rack storage, fitting stations, and on-site alterations.

Production Offices: Quiet, high-speed internet-enabled rooms for producers, production coordinators, and ADs to run daily operations.

THE LOGISTICAL ADVANTAGE : LOADING & LAUNCH

The true separator for Triple Crown Studioz is our built-in production village capability.

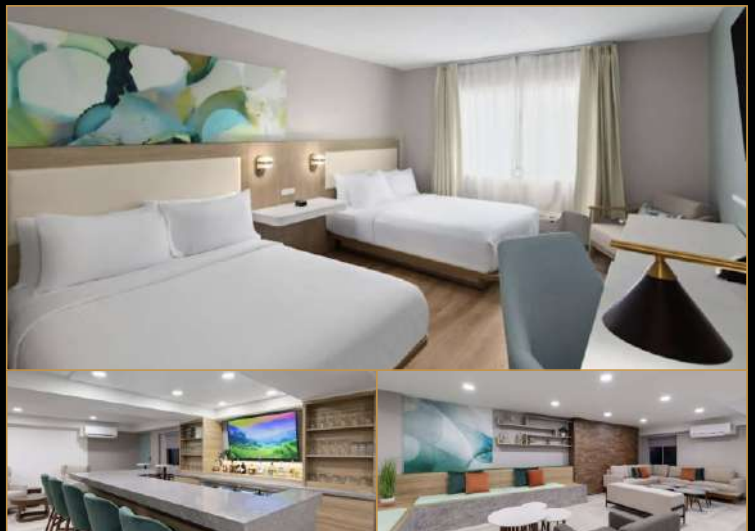

Accommodation: The 100-Room Hotel Next Door

Zero Commute: Eliminate the logistical nightmare of transport captains moving crew from remote hotels to the set. Your team is steps away from the shooting floor.

Cast & Crew Comfort: Premium rooms perfectly suited for out-of-town department heads, executive producers, and principal talent.

Production Rates: Tailored block-booking discounts available for long-term episodic or feature film shoots.

Sustenance: In-House Master Catering

Customizable Menus: From quick, nutritious hot breakfasts for early crew calls to elegant 5-star standard catering for executive wrap parties.

Dietary Adaptability: Our culinary team effortlessly accommodates vegan, gluten-free, keto, and allergen-specific mandates standard in modern rider agreements.

On-Set Crafty & Second Meals: Seamless delivery of hot second meals directly to the shooting floor for extended shooting schedules.
